

## CONTENTS TO VOLUME 32 (1985)

### Number 1 — January/February 1985

#### *Brief Reviews*

Behavioral and Psychosocial Factors in Chronic Craniomaxillary Pain by James R. Friction, D.D.S., M.S. ....	7
Pain and the Diagnostic Process: Conceptions and Misconceptions by Richard L. Webber, D.D.S., Ph.D., Roelf A.J. Groenhuys, Ph.D., and Urs E. Ruttimann, Ph.D. ....	13
Therapeutic Implications of Modifying Endogenous Serotonergic Analgesic Systems by James W. Frier, D.D.S. ....	19

#### *Case Report*

Ehlers-Danlos Syndrome As a Cause of Temporomandibular Joint Disorders by Daniel E. Myers, D.D.S., M.S. ....	23
---	----

#### *Commentary*

Anesthesia's Dental Heritage by Homer L. Ash, D.M.D. ....	25
--	----

#### *Departments*

The President's Corner .....	3
Report from the Executive Director .....	4
Guest Editorial: Dental Anesthesiology and Issues of Practice, Politics, and Education by J. Theodore Jastak, D.D.S., Ph.D. ....	5
Continuing Education in Pain Control Scientific Abstracts: Anesthetic Management of the Pediatric Dental Patient, Part II. ....	30
Continuing Education Calendar ADSA Annual Meeting. ....	Cover 2
4th International Dental Congress on Modern Pain Control. ....	18
Medical-Legal Update .....	33
ADSA News Acknowledgements to 1984 Reviewers .....	35
ADSA-Sponsored Anesthesia Residency .....	35
Instructions to Authors .....	Cover 3
Directory to Advertisers, 1984 .....	35

### Number 2 — March/April 1985

#### *Brief Review*

Local Anesthetics: A Century of Progress by John A. Yagiela, D.D.S., Ph.D. ....	47
--	----

#### *Scientific Articles*

Intravascular Lidocaine Toxicity: Influence of Epinephrine and Route of Administration by John A. Yagiela, D.D.S., Ph.D. ....	57
Deflection of Conventional Versus Non-Deflecting Dental Needles <i>In Vitro</i> by Arthur H. Jeske, Ph.D., D.M.D. and Bryan F. Bashart, B.S. ....	62
Long-Acting Local Anesthetics in Oral Surgery: An Experimental Evaluation of Bupivacaine and Etidocaine for Infiltration Anesthesia by Karlhåkan Danielsson, D.D.S., Hans Evers, D.D.S., Odont. Dr., and Åke Nordenram, D.D.S., Odont. Dr. ....	65
A Clinical Study of Bupivacaine for Mandibular Anesthesia in Oral Surgery by Patrick J. Chapman, M.B.B.S., M.D.Sc. and Allan W. Gordon Macleod, B.D.S., F.D.S.R.C.S. ....	69
Pulpal Response to Intraligamentary Injection in the <i>Cynomolgus</i> Monkey by James C. Peurach, B.S. ....	73

#### Departments

The President's Corner .....	39
Report from the Executive Director .....	41
Correspondence .....	42
Continuing Education in Pain Control	
Scientific Abstracts: Local Anesthetics and Vasconstrictors .....	79
Summary of the Scientific Literature of Local Anesthetics and Vasoconstrictions in Dentistry (1983 thru 1984) .....	76
Book Reviews .....	83
Continuing Education Calendar .....	
ADSA Annual Meeting .....	44

#### Number 3 — May/June 1985

##### Brief Review

Physostigmine: An Antidote for Excessive CNS Depression or Paradoxical Rage Reactions Resulting from Intravenous Diazepam by J. Theodore Jastack, D.D.S., Ph.D. ....	87
---	----

##### Scientific Articles

Evaluation of PO <sub>2</sub> and PCO <sub>2</sub> Changes During Surgical Removal of Third Molars Utilizing Enflurane Anesthesia by Richard A. Kraut, D.D.S., Bernard Rubel, Ph.D. and Bruce Bush, M.D. ....	93
Sedative Effects and Cardiorespiratory Influences of Intravenous Flunitrazepam Premedication by Nagaaki Suzuki, D.D.S., D.D.Sc., Satachi Beppu, D.D.S., D.D.Sc., Hisa Okumura, D.D.S., D.D.Sc., Hiroshi Uematsu, D.D.S., D.Sc., Takahiko Kando, D.D.S. and Yasuya Kubota, M.D., D.D.S., D.D.Sc. ....	98

##### Case Reports

General Anesthesia and Fragile X Syndrome: Report of a Case by Paul S. Casamassimo, D.D.S., M.S., William B. McIlvaine, M.D., C.M., FRCP (C), Randi Hagerman, M.D. and W. Craig Shellhart, D.D.S. ....	104
Postoperative Delirium Secondary To Atropine Premedication by Kipp Hammon, D.M.D. and B. Kyle Martino, D.D.S. ....	107

##### Clinical Techniques

A New Technique for Stabilization of the Endotracheal Tube by Ralph E. Marcoat, D.D.S. ....	109
--	-----

#### Departments

Report from the Executive Director .....	124
Preliminary Report On the Annual Meeting .....	124
Continuing Education In Pain Control	
Abstracts: Anesthesia and Sedation in Dental Office, Part I .....	111
Continuing Education Calendar	
4th International Dental Congress On Modern Pain Control .....	121
Meeting Summary	
NIH Consensus Conference on Anesthesia and Sedation in the Dental Office .....	119
Index To Advertisers, January-June 1985 .....	120
Instructions To Authors .....	123

#### Number 4 — July/August 1985

##### Brief Reviews

Risk Appraisal of Narcotic Sedation for Children by Paul A. Moore, D.M.D., Ph.D. and J. Max Goodson, D.D.S., Ph.D. ....	129
Malignant Hyperthermia by Lynne Taiclet, D.M.D. ....	140

#### *Scientific Articles*

Evaluation of the Gow-Gates Mandibular Block for Oral Surgery by Allen L. Sisk, D.D.S. ....	143
The Effect of Pentobarbital on Lidocaine Toxicity and Brainstem Concentration by Richard E. Mack, B.A. and John A. Yagiela, D.D.S., Ph.D. ....	147
Relief of Dental Pain: A Controlled 12-Hour Comparison of Etodolac, Aspirin and Placebo by Sharon L. Neson, D.D.S. and Stewart A. Bergman, D.D.S. ....	151
The Role of Needle Purging in Reducing Transfer of Microorganisms From Local Anesthetic Cartridge Diaphragms by Barbara A. Nelson, R.D.H., M.S., Raymond D. Rawson, D.D.S., M.A. and Hermi D. Hiatt, M.S. ....	157

#### *Case Report*

Subcutaneous Emphysema by Arthur E. Woehrel, D.D.S. ....	161
---	-----

#### *Departments*

Report from the Executive Director ....	164
Continuing Education in Pain Control Abstracts: Anesthesia and Sedation in the Dental Office, Part II ....	165
Consensus Statement: Anesthesia and Sedation in the Dental Office ....	172
Continuing Education Calendar ....	178
Instructions To Authors ....	180

### **Number 5 — September/October 1985**

#### *Brief Reviews*

Ketamine Anesthesia by John R. Werther, D.M.D. ....	185
Calcium Channel Blockers and the Emergency Care Kit in the Dental Office by Teresa Kosmac, D.M.D. ....	189

#### *Scientific Articles*

Measurement of Meperidine Induced Respiratory Depression Using a New Non-Invasive Technique by Elliot V. Hersh, D.M.D., M.S., Paul J. Desjardan, D.M.D., Ph.D., Moises Simpser, M.D. and Charles Dadzie, M.D. ....	194
Midazolam and Somatosensory Evoked Potentials by Nagaaki Suzuki, D.D.S., D.D.Sc., Satoshi Beppu, D.D.S., D.D.Sc., Hiroshi Uematsu, D.D.S., D.D.Sc., Tatsuhiko Someya, D.D.S. and Yasuga Kubota, M.D., D.D.S., D.D.Sc. ....	199
Comparison of Periodontal Intraligamentary Anesthesia Using Etidocaine HCL and Lidocaine HCL by Georgia K. Johnson, D.D.S., M.S., Gwen L. Hiava, R.D.H., M.S. and Kenneth L. Kalkwarf, D.D.S., M.S. ....	202

#### *Case Reports*

Trigeminal Neuralgia: Management of Two Cases with Hypnotherapy by Bernard Gurian, D.D.S. ....	206
Nalbuphine Sedation in a Patient with Long Term, High Dose Chemotherapeutically Controlled Psychosis by Maureen Kelly, D.D.S. and Robert M. Howell, D.D.S., M.S.D. ....	209

#### *Departments*

Report from the Executive Director ....	211
Continuing Education in Pain Control Abstracts: Anesthesia and Sedation in the Dental Office, Part III ....	213
ADSA News 1985 Annual Meeting ....	218
Wisconsin Dental Society of Anesthesiology ....	208
Instruction to Authors ....	Cover 3

**Number 6 — November/December 1985**

*Brief Reviews*

Drug Induced Emergencies  
by James A. Snyder, D.D.S., F.A.D.S.A. .... 225

*Scientific Articles*

A Comparison of Post-Operative Recovery Times Between Isoflurane and Enflurane for Pediatric Dental Outpatient Anesthesia  
by Margaret A. Elliott, D.D.S., M.P.H. .... 229

Double-Blind Comparison of Rectally Administered Diazepam to Placebo for Pediatric Sedation: The Cardiovascular Response  
by Catherine M. Flaitz, D.D.S., M.S., Arthur J. Nowak, D.D.S., M.A. and M. John Hicks, D.D.S., M.S., Ph.D. .... 232

Pulse Oximetry Monitoring of Sedated Pediatric Dental Patients  
by William A. Mueller, D.M.D., John N. Drummond, M.D., by Thomas A. Pribisco, D.D.S. and Richard F. Kaplan, M.D. .... 237

Reduction in Venous Complications of Intravenous Diazepam  
by Allen L. Sisk, D.D.S. .... 241

*Commentary*

The Specialty of Anesthesiology in Dentistry  
by Norman Trierger, D.M.D., M.D. .... 244

*Departments*

Report from the Executive Director ..... 247

Continuing Education in Pain Control  
Calendar: University of Cincinnati ..... 248

Loma Linda University ..... 248

ADSA Summer Review Course in Dental Anesthesiology ..... 249

ADSA News  
1986 ADSA Meeting: Call for Abstracts ..... 240

Index to Volume 32 ..... 251
